

Brunei Unveiled - ASB9

The tiny Islamic sultanate of Brunei, located between Sabah and Sarawak, is one of the smallest countries in the world. Our seven day Brunei tour begins in the capital, Bandar Seri Begawan (BSB), where there are impressive mosques, excellent museums, and sprawling stilt villages. We also include a steamboat dinner with views of the illuminated golden-domed Omar Ali Saifudien Mosque and Brunei by night. We travel by speedboat, overland and by longboat to Ulu Temburong National Park where we enjoy a night walk, canopy walk, and a trek to Sg Apan waterfall where you can swim.

Back in BSB we take a Proboscis Monkey Tour, a leisurely cruise through the mangroves in search of wild Proboscis monkeys. Our Brunei tour ends with two nights at one of the finest resort hotels in Brunei by the South China Sea, with pools, water sports, golf, spas and more available!
