DIVE TO THE TITANIC

FULLY SUPPORTED SUBMERSIBLE DIVES TO THE WRECK OF THE RMS TITANIC!

Pioneering adventure tourism operator, Adventure Associates, continues to surprise by announcing its first ever expeditions to the wreck of the famed *Titanic*. With special interest gearing up to the 100th Anniversary of the sinking - 2012.

The mystic surrounding the *Titanic* disaster has diminished little over time. Each generation has held the memory close, preserving it in books, music and movies. Today, the story stands as modern myth: a luxurious dream ship brimming with Gilded Age's celebrities and its steerage class; a technological wonder so sophisticated, so sound, as to be deemed invulnerable.

The 13 Day experience commences with your arrival in St Johns, Newfoundland. It's here that you join the vessel and head out into the Atlantic to the wreck site. During days 4-10 dives take place. One can actually take ' lunch on deck of the Titanic, with the submersible positioned on deck adjacent to the captain's cabin luncheon takes place!

US\$55,000 per person twin share (for those diving)

US\$15,000 per person twin share (non divers).
