10 Night Cruise sailing from Copenhagen roundtrip aboard Eurodam.

To be delivered in summer 2008, the new Eurodam marks Holland America Line's next class of vessels and at 2044 passengers the largest ever constructed for the premium line. With an estimated all-in cost of \$450 million, the new 86,000-ton Panamax Eurodam will be built at Italian shipbuilder Fincantieri's Marghera shipyard.

The Eurodam will further the evolution of Holland America Line's sophisticated mid-sized ships. With 11 passenger decks, new innovations include a topside 144-seat Pan-Asian restaurant and 50-seat lounge surrounded by panoramic views overlooking the ocean expanse and the Lido pool. Other additions are an Explorer's Lounge Bar, a new specialty restaurant adjacent to the Lido offering the finest in Italian food, elegant luxury jewelry boutiques, new atrium bar area, enhanced and reconfigured show lounge with theater-style seating, and a new photographic and imaging center.

Highlights of this cruise include:

Copenhagen - The Little Mermaid greets you at the harbor. At its center is Tivoli, whose gardens, lakes and fountains are said to have inspired Walt Disney.

Oslo - Spotless and sophisticated, Oslo brims with sights, from Thor Heyerdahl's Kon-Tiki to the open-air Norsk Folkemuseum.

Alesund - This picturesque fishing port at the mouth of Stor Fjord spans two islands and features delightful art nouveau architecture — stone towers, spires and medieval façades.

Flam - Flåm's villages and farms perch on steep slopes above gleaming waterways.

Stavanger - Cobblestone streets wind past colorful houses in this delightful town. In nearby Lysefjord, be sure to visit oft-photographed Pulpit Rock.

Invergordon - The skirl of Highland bagpipes calls you ashore. Go in search of your clan tartan, and "Nessie," the spurious monster often sighted in Loch Ness.
